

1

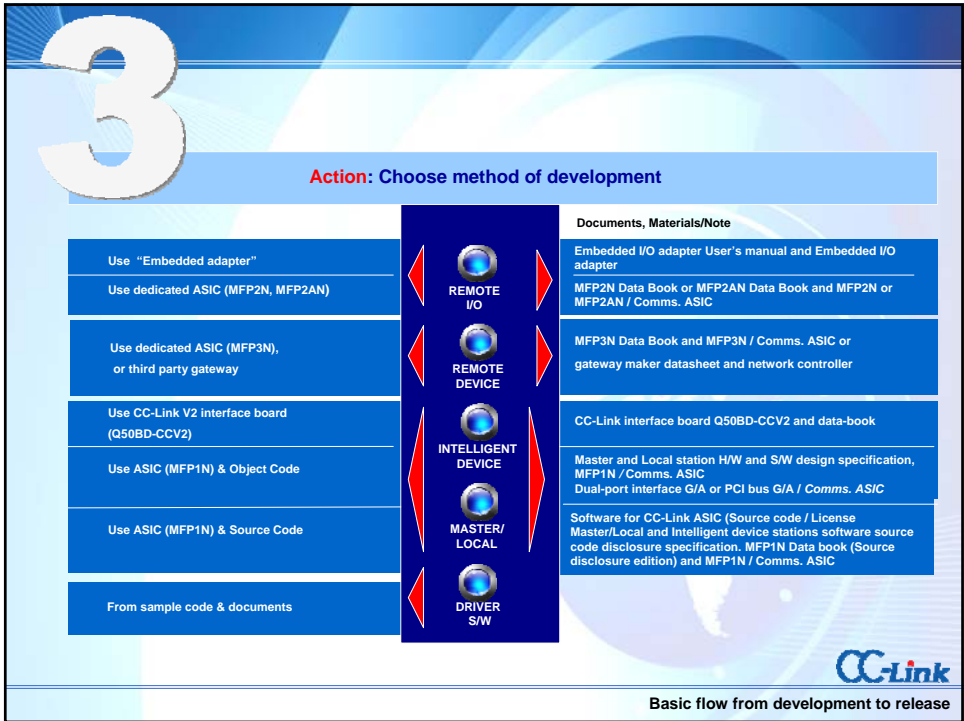

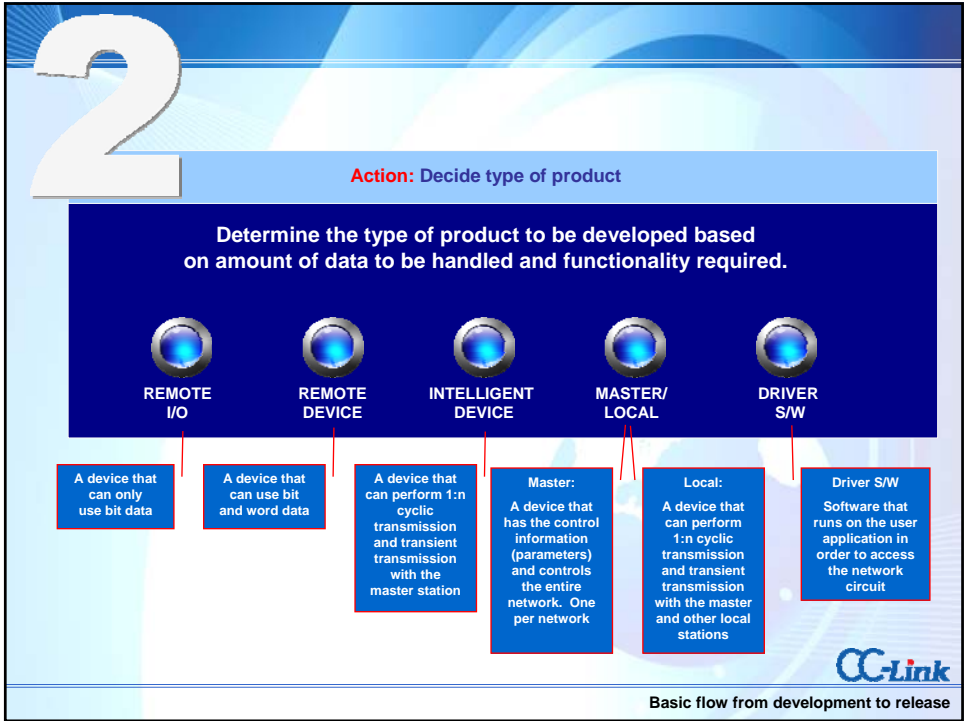

Action: Register as a CLPA member (Regular or higher)

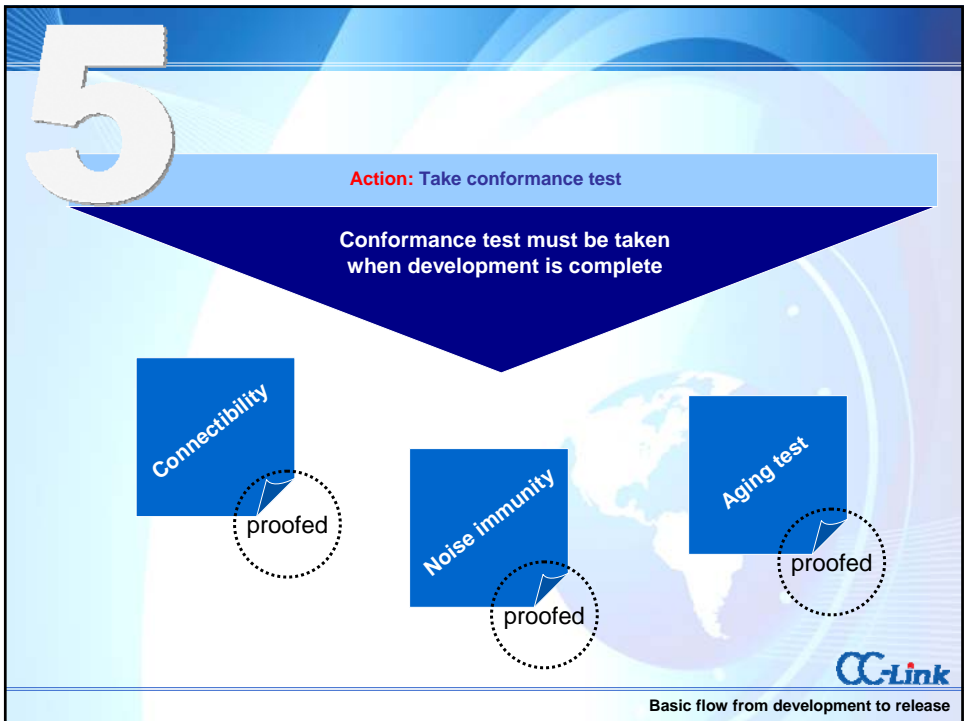

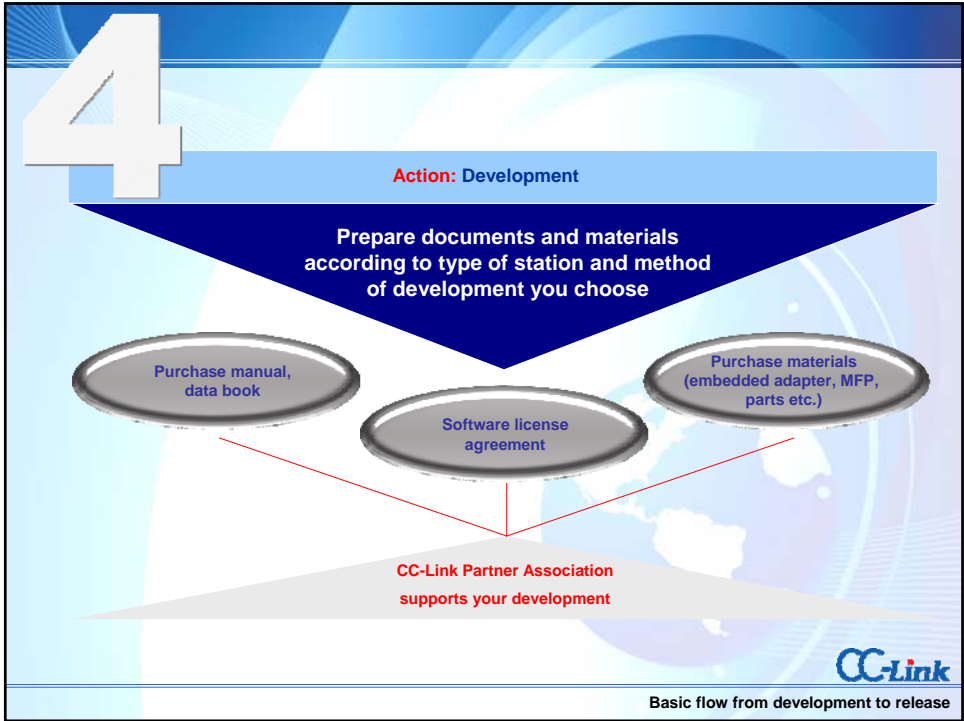

CLPA Regular Membership is required in order to develop CC-Link compatible products. CC-Link Specifications (Protocol, Implementation and Profile) will be provided free of charge if you register as a CLPA member.

Basic flow from development to release

The slide contains a large white number '1' on the left. The main text is in a dark blue box. The CLPA logo is a circular emblem with 'CC-Link' at the top, 'CLPA' in the center, and 'PARTNER ASSOCIATION' at the bottom. The CC-Link logo is in the bottom right corner.

7

Action: Release

Products passing the conformance test can be released and marketed as CC-Link compatible products
