MPT9	Preparation of test report	Documentation of test results	130.00

(1) Fee depends on device type and work required. Please contact CLPA at testlab@meg.mee.com to discuss.

Please note:

1. Fees are current as of February 2012. Fees may be subject to change.
2. Refer to the CC-Link conformance test request form for supporting documentation required to accompany products to be tested.
3. Shipping costs to and from the conformance test centre are the responsibility of the company requesting the test.
4. Fees are payable when testing is completed. A test certificate cannot be issued until all fees are paid.
